1.0 General Rules

1.1 Age Bracket

Any boy registered to play baseball or T-Ball who shall attain the age of 4 years before May 1 of the year in question will be eligible to play.

Any girl registered to play softball or T-Ball who shall attain the age of 4 years before January 1 of the year in question will be eligible to play.

1.2 Equipment – Pick-up / Return

All coaches are responsible for the pick-up and return of all equipment for the season. The equipment managers will supply and fill out a master team equipment list. The coaches will pick-up the aforesaid list along with the equipment prior to the start of the season. After the last game the team plays, the coach will return his/her equipment to the equipment managers. The equipment managers will be available at the equipment room to receive equipment from the coaches. Coaches not returning all equipment will not be allowed to return as a coach in subsequent years.

1.3 Sportsmanship

SPORTSMANSHIP IS TO BE DISPLAYED AT ALL TIMES AND COURTESY BETWEEN COACHES IS EXPECTED TO BE DISPLAYED AT ALL TIMES. The umpires shall govern supreme. Coaches are not permitted to argue on the field, but may ask for time to discuss any particular play. The discussion will be limited by the umpire. After discussion, play will resume. Discussion time will be part of allotted game time. Any coach or player using obscene language is subject to immediate ejection and dismissal from the game in play, by order of the umpire. Any umpire using language that is considered obscene shall be subject to reprimand by the Commissioner and/or Board member on duty and is subject to removal from his/her position as a league umpire. Anyone ejected from a game will be suspended from the next game played by his/her team. The official scorekeeper shall be notified of an ejection as soon as it occurs and the ejection shall be recorded in the official score book before play continues. Both teams' coaches shall be notified and shall initial and date the official scorebook. Ejections are subject to review by the Board of Directors and could result in umpires, coaches and players being barred from further competition in the league.

1.4 Unsportsmanlike Conduct

No manager, player, coach, bat boy, parent, umpire or spectator shall at anytime, whether on the bench, in the coach's box, on the playing field or in the spectator area, commit any act which could be considered unsportsmanlike. This includes excessive screaming, calling opposing players by name, beating on the dugout, abusing the fields, etc. Violators will be subject to ejection from the game and/or the facility.

1.5 Abusing Equipment

Abuse of equipment will not be tolerated. Throwing bats, throwing helmets, etc. are examples of equipment abuse. Anyone violating this rule will be subject to ejection from the game in play. Continuous violation of this rule may result in expulsion from the league by the Board of Directors. The umpires and commissioners are directed to enforce this rule. Warnings will NOT be issued.

1.6 League Games

All teams will play within their league a fourteen (14) game schedule.

1.7 Game Scheduling

The Vice Presidents will schedule games for their respective leagues.

1.8 Game Re-Scheduling

The Vice Presidents, will reschedule any postponed games at the earliest possible date. Teams not complying with the new scheduled dates will receive an automatic loss. Games can be re-scheduled ONLY by the Vice Presidents.

1.9 Coach / Assistant Coach(es)

All head coaches must be at least 18 years old. Assistant coaches must be at least 15 years old.

1.10 Coach Suspension

Any coach, head or assistant, that is ejected or suspended from a game, must be in the stands or a minimum of 30 feet from the playing field and/or dugouts on which their team is playing and must not coach from any place inside or outside of the park. Failure to do so will be considered unsportsmanlike conduct. The officer on duty will enforce this rule.

All coaches, assistant coaches, board members, volunteers and visitors to the park are responsible to, and subject to review by the SBBA Board of Directors. The SBBA Board has the right to remove a coach at any time that the Board feels it is in the best interest of the children of SBBA. In the event of any disciplinary action by the SBBA Board, the subject in question may request a hearing prior to the disciplinary action being enforced.

1.11 Rules Revision

These rules can only be revised during regular season play by a majority vote of the Board of Directors. Any permanent revision must follow the SBBA By-Laws.

1.12 SBBA President

The SBBA President will be allowed to coach during his/her term in office.

1.13 Players / Disciplinary Action

The coaches will use their discretion concerning training rules and regulations with regard to their own players. The only exception to players playing the required amount of time, as designated in their league, is for disciplinary action (missing practice, etc.). The Commissioner and the Board of Directors reserve the right to check the score book periodically to see that each coach is complying with this rule, and have the right to question each coach concerning disciplinary action. Any violations of this rule may result in suspension of the head coach as determined by the Board of Directors.

2.0 Player Assignments

2.1 Registration

At a place and time determined by the Board of Directors, a committee will conduct regular registration where a registration fee will be collected. Regular registration will be subject to limitations based on number of field slots available in each age group. The number of field slots is determined based upon the number of players per team and the number of teams allowed. The number of teams allowed is determined by the number of time slots available per field. All players that register during regular registration will have a guaranteed spot on a team, provided all other requirements of participation in the league are met.

2.2 Player – League Age

All players must move up according to age, the exception being a handicapped player. The Board of Directors shall rule on all exceptions. (Parental wishes and professional advice shall be considered.) Underweight and undersize are not considered sufficient physical handicaps.

2.3 Roster Age Composition

The age composition of the teams in a league shall be determined by the Player Personnel committee of the SBBA Board of Directors. The objective of the division between younger and older ages is to balance the league from year to year.

2.4 Rosters

The number of players on the teams in each league will be determined by the Board of Directors. Other late registrants will be assigned to a roster of any team in the order of the date and time of registration. If a team loses a player before mid-season (half of scheduled games played), it must replace the lost player with the next available player on the waiting list. The coach will be suspended or games forfeited at the discretion of the Board of Directors for not replacing players lost prior to playing half their scheduled games. Coaches are required to notify the respective Board Member for Player Personnel anytime they lose a player. Coaches, at their option, may replace players after mid-season. All coaches and assistant coaches must appear on team rosters.

2.5 Roster Table

The following table establishes a summary of the league assignments and maximum roster sizes:

2.6 Waiting List

As soon as is feasibly possible after regular registration is completed; a single waiting list will be created. Players that missed regular registration will place their names on the waiting list. Players will be pulled from the waiting list in sufficient numbers to complete the rosters of all teams in the league. At the discretion of the Board of Directors, players on the waiting list may be called to attend tryouts. Players retrieved from the waiting list will be retrieved in the order in which they are placed on the waiting list. Players that remain on the waiting list will be used to fill the rosters of teams as the need arises.

2.7 Tryouts

All players participating in a league that has all-stars and playoffs must attend a tryout so that the coaches may evaluate them for the draft. This will exclude T4 (boys and girls) and T5 (Boys). All players who are required to attend tryouts, but do not, will have their names put into blank envelopes, along with those players pulled from the waiting list to complete the league, and those envelopes will be sealed and placed as "blind picks" in the draft. A head coach's child or children assigned to his/her team will not be required to attend tryouts.

The SBBA Board of Directors shall appoint a qualified individual to evaluate players at tryouts to be used at the draft for teams where a coach has not yet been assigned.

3.0 Draft

- 1) Players will be assigned to teams by a draft of the coaches. A head coach's child will automatically be given to the team he/she coaches

unless the parent/coach chooses not to draft his/her child, at which time the child is placed in the open draft. A parent/coach's intent NOT to draft their own child must be declared prior to the start of the draft.

- 2) All leagues will draft down the order and back up the order, i.e., 1 through 10, then 10 through 1. Draft order will be drawn from the hat prior to the start of the draft. Draft order will be adjusted immediately after the sixth (6th) round to ensure that the team drafting first also drafts last.
- 3) Siblings, if they choose, may play on the same team. Other related persons living in the same household may be placed on the same team at the discretion of the Board of Directors. In the draft, if two (2) siblings are involved, the picks will be current draft round and last round. If three (3) siblings are involved, the picks will be drafted round, next round and last round.
- 4) At the annual draft, the coach of each team will fill out the team roster.
- 5) If a coach elects to draw an envelope or 'blind' pick, the envelope must be signed as picked by the coach and left sealed with the individual coordinating the draft until the draft concludes.
- 6) If at the end of the draft, if some teams have not filled their rosters, players will be pulled from the waiting list until all rosters are filled or the waiting list is empty.
- 7) An exchange of drafted players will be permitted after all players have been picked and all envelopes have been chosen. The exchange must be completed at the time of draft and is allowed for drafted players only. Once a coach leaves the draft room, the team is considered established and no exchange of drafted players is permitted with the following exception. An exchange of players will be permitted upon submissions of a written request, signed by the parents of all players and coaches involved in the exchange, and approved and signed by the SBBA President prior to the first league game.

3.1 Drafting Restrictions

Parents of players not wishing for their child to play for a particular coach should indicate this on the registration form. The coach involved must make every effort not to draft such player(s). If drafted, the coach should make every effort to trade the player for a player chosen in the same round. If this cannot be arranged, the player will be refunded their registration fee and will not be allowed to play that year. Players who quit the league may not return that year.

3.2 T-Ball Assignments

T-Ball players are not required to attend tryouts. T-Ball teams (4, 5 & 6 year olds) will be drafted as per Rule 2.8 without any observation (tryout) day. Coaches will be provided with a complete list which will include all eligible

player's names, subdivision, team played on previous year (if available), and positions played (if available). There will be no envelope or 'blind' picks.

4.0 Uniform Requirement

4.1 Uniform

A complete uniform consisting of shirt, shorts/pants, socks, shoes and hat as designated or approved by SBBA must be worn. Failure to comply with this rule will result in the child not being allowed to play. The officer or commissioner on duty will enforce this rule.

4.2 Catchers (Boys Only)

Catchers in the boy's leagues, except T-Ball, must wear a protective cup.

4.3 Coach's Uniform

Coaches will not be required to wear uniforms until tournament play.

4.4 Metal Cleats

Metal Cleats are not allowed at any age level.

4.5 Jewelry

Players may not wear jewelry of any kind on the playing field. Upon first instance of the umpire noticing a player wearing Jewelry, the player must remove jewelry immediately. If the player puts the jewelry back on during the course of the game, the action will result in an out when the player steps in the batter's box.

5.0 Field Rules

5.1 Home Team

The first team listed on the schedule shall be designated the visiting team; the second team noted is the home team. The visiting team will occupy the first base dugout and the home team will occupy the third base dugout.

5.2 Field Preparation

Both teams must clean up the field, set out the bases, line field, etc., before the first game begins. It is essential that the first game start on time. If in the opinion of the commissioner or officer on duty, the coaches are lax in their preparation of the field, he/she can call for the game to begin on time, and the preparation time will be applied to the game time limit. Both teams are responsible for cleaning up the field and spectator areas after each game.

5.3 Pre-Game Warm-Up

The visiting team will take the field for a 5 minute warm-up. The home team will take the field for a 5 minute warm-up and remain on the field for the start of the game.

5.4 Time Limit Between Games

Intermission between games is not allowed to exceed 15 minutes. Three minutes will be allowed between half-innings. A new half-inning begins as soon as the third out is made for the previous half-inning.

5.5 Practice on Official Fields

There shall be no practice on the official fields at any time for any reason other than pre-game warm-ups by the teams scheduled to play on the dates shown on the official schedule. If this rule is violated by a coach, the penalty is expulsion from the league even if it is a first offense. If a player violates the rule, he/she will be reprimanded on the first offense and expelled from the league on their second offense.

5.6 Pre-Season Practice Games

Teams desiring pre-season practice games on the official game fields must first receive permission from the SBBA president.

5.7 Liquor/Tobacco/Illegal Drugs

No liquor or illegal drugs in any form shall be allowed in the park. Coaches, players and/or any other persons responsible will be removed from the field and will be expelled by the Board of Directors. The use of tobacco in any form is also prohibited on the field or in the dugout. Violation of this rule will result in removal from the field and could be considered unsportsmanlike conduct.

5.8 Game Times

Game times for the first game on weekdays will be 6:00 PM and on weekends will be 9:00 AM, with the first game for each league being the time limit as stated in the league rule 4.10. If the fields are playable, any delay beyond the starting time will apply to the game time. The umpire will call balls or strikes on the offending team that is delaying the start of the game. Teams will be allowed to start the game with less than eight players, there must be a pitcher and catcher on defense. A team must bat eight players or the game is a forfeit at the time the 8th batter is due at the plate, if that player is not present.

5.9 Fitness of Fields

The member of the Board of Directors on duty shall be the sole judge as to the fitness of the fields for playing conditions prior to the start of the games. The coaches and players of each team will assist in preparing the fields.

6.0 Baseball / Softball Playing Rules

6.1 Rules / Modifications

The order of rules for all T-Ball and Boys Leagues are:

- 1) SBBA
- 2) USSSA Rules
- 3) LHSAA Rules
- 4) Major League Baseball

The order of rules for all Girls Leagues are:

- 1) SBBA
- 2) USSSA

6.2 Equipment Approval

All equipment must be approved by the league commissioners and the Board of Directors. T-Ball players must use a bat labeled for T-Ball use. Bats must include the USSSA stamp.

6.3 Helmet Removal

When a player intentionally removes his/her helmet while the ball is in play, all play will stop when the player reaches the next base.

6.4 Starting Line-Up

Each coach is required to submit a starting line-up and all substitutes to the official scorekeeper prior to the start of the game. Numbers will be used for official line-up purposes. Any player who is not played for disciplinary reasons must have their name and reason for discipline in the score book and should be brought to the attention of the umpire prior to the beginning of the game. A line-up may consist of a minimum of eight players. Outs will not be called for open positions in the line-up.

6.5 Player Alternating

Every SBBA team must bat the entire roster and no player shall sit out two (2) consecutive innings **and no more than two innings per game.** Free substitution will be in effect. This rule will not affect pitching eligibility rules; they will remain in effect. The only exception to this rule shall be for disciplinary action taken against a player by a coach. A player arriving late, after the line-up has been handed in, will bat at the end of the line-up. Once the lead-off batter has appeared at the plate the second time, no player may be inserted into the line-up. For violating any part of this rule for the first time, the coach is not allowed to coach the next scheduled game. For the second offense, the coach is subject to Board of Directors review. If a player leaves the game for any reason, when his/her turn occurs in the batting order for the first time after exiting the game, an out is taken. Subsequent at bats for this player are not considered to be an out and the player is removed from the line-up as though they were never there.

6.6 Innings

A ball game is over, regardless of the number of innings played when the time limit (as indicated in Rule 4.10) has expired. Innings started prior to the time limit expiring will be completed. No innings will start if five (5) minutes or less remain in regulation time. The home plate umpire is responsible for keeping the official game time.

6.7 Tie Games

A scheduled game cannot be declared a tie unless the time limit has expired, regardless of the number of innings played. As the result of a tie, each team will receive credit for ½ game in the win column and ½ game in the loss column.

6.8 Rain Outs

Games rained out will be ruled complete games if half the scheduled number of innings have been played, i.e. for a six (6) inning game, the losing team must have batted three (3) times. Losing teams must bat 3 complete half innings. Games rained out before half the scheduled number of innings have been played, but before the time limit has expired, must be rescheduled and played from the beginning (first inning).

6.9 Sliding

When a tag is evident, runners must slide or seek to avoid contact with a fielder. Malicious contact shall supersede all obstruction penalties.

6.10 Fake Tags

No defensive player shall fake a tag so as to impede a runner or cause a runner to slide unnecessarily. The first violation will result in a team warning. A second violation will result in automatic ejection of the defensive player. If, in the opinion of the umpire, the runner could have advanced if the tag had not been faked, the runner will be awarded the base the runner would have reached had there been no fake tag.

6.11 Pitching Violation

Violation of a pitching eligibility rule, regardless of when discovered, shall result in suspension of the coach for the current game, the next game, and forfeiture of the game in which the violation occurred.

6.12 Pitching / Rain-outs, etc.

All innings pitched in rained-out games or any game terminated prior to completion, including protested games, shall be counted as pitched for that week.

6.13 Required Players

A minimum of eight (8) players is required to play. A battery (pitcher and catcher) must be used on defense except in T-Ball leagues, in which a catcher will not be required if only eight (8) players are present.

6.14 Thrown Bat

If, in the judgment of the umpire, the batter throws the bat, the ball is immediately dead. The batter will be declared out and no runners may advance. The umpire's judgment is final. Consider this your only warning.

6.15 Substitutes

All substitutes must be reported to the official scorekeeper prior to substitution (i.e., pitching changes, injuries, etc).

6.16 Touching Base Runners

It is interference by a base coach, when in the judgment of the umpire, the coach, by touching or holding a runner, physically assists the runner in returning to or leaving a base. PENALTY: The runner is out and the ball is dead.

6.17 Failure to Touch Base

For failure to touch a base (advancing or returning), or failure to tag up after a fly ball is caught for an out, the runner is out. This is a delayed penalty if not played upon by the defense during the same playing action (live ball). After all playing action has ended; the umpire will declare time-out to call the offending runner(s) out.

6.18 Fake Bunt / Full Swing (Slap Bunt)

If, in the judgment of the umpire, the batter fakes a bunt, then brings the bat back and takes a swing, the batter will be declared out. All runners must return to their previously occupied base unless put out during the play. The umpire's judgment is final.

6.19 Mercy Rule

For 5 Inning Games

The RUN RULE awards a win to a team that has a 12 run lead after 3 completed innings or 2 ½ innings if the home team is ahead, 10 runs after 4 completed innings or 3 ½ innings if the home team is ahead. The mercy rule does not apply once the game has entered the 5th and final inning.

For 6 Inning Games

In the event that a parent or player turns down the first team (this includes not trying out for first team or not answering communication from the first team coach) and want to play for the second team, the first team's head coach must approve the release of the player in order for them to be eligible to be added to the second team's roster.
